26<sup>th</sup> February 2018

Dear Parents and Carers,

We were delighted to send out so many letters before half term celebrating some fantastic attendance results. In all, over 107 children had attendance of over 95%, with 23 celebrating 100% attendance.

It is vital that all children attend school every day. Attendance of 80% means that a child is missing the equivalent of one day every week, which has significant impact on their progress and well-being in school. Whilst we understand that occasionally children become ill and are unable to attend school, we are aware that a small number of children are missing days for relatively minor concerns such as coughs, sore throats and tiredness.

So this term we are setting the children an egg-cellent attendance challenge! We will monitor the attendance of every child between Monday 25<sup>th</sup> February and Friday 5<sup>th</sup> April and all children who achieve attendance of 96% and above during that time, will be awarded an Easter egg on the last day of this term. We think it's a cracking idea and we hope you will support us in this endeavour.

Yours sincerely,

Mrs E Adie  
Head of School
