Dear Parents/Carers

Please be reminded that children are to be collected promptly at 3.20pm each day. Staff are often expected to attend meetings after school and are unable to wait with children.

We are aware that in exceptional circumstances you may need to use our afterschool provision at short notice. In these circumstances we will fit children into the provision where possible however we do not always have the capacity and this can also impact on other members of staff. We do also expect payment for this provision to be made the following day when used at short notice.

We would like to thank those parents that support us in continuously collecting their children promptly.

Yours sincerely

Mrs E Adie
Head of School
