Dear Parents & Carers

Recently children have been arriving at school early. Please be aware children are welcome on the school playground from 8.30am but should not be left unsupervised until 8:40am or before a teacher is present.

Please be reminded that the equipment on the school grounds is only to be used by Whaplode pupils during school hours. Please can you ensure that visitors, especially younger siblings, do not use the equipment; this is for their own safety. Play equipment should not be used at the end of the school day either.

We are aware that in exceptional circumstances you may need to use our breakfast club provision at short notice. In these circumstances we will fit children into the provision where possible. We do also expect payment for this provision to be made in advance or on the morning in emergencies.

We would like to thank those parents that support us in continuously supervising their children at school.

Yours faithfully

Mrs E Adie
Head of School
