10th January 2018

Dear Parents and Carers

As a School Parliament, we have decided that we would like to support a new charity this year, Juvenile Diabetes Research Foundation - JDRF. This decision has been made because it affects a number of our relatives as well as a pupil in Year 4 at this primary school.

The GoBlue for World Diabetes Day was held between the 1st and 14th November. However because of a number of fundraising events which already occurred before Christmas, we have decided to raise money for this charity this new year.

We will be banishing the January blues to support diabetes on Friday 12th January whereby we will be raising money to cure, treat or prevent type 1 diabetes through a non-school uniform day and wearing a blue item of clothing. The cost of this is a donation of £1. There will also be the opportunity to purchase cakes and biscuits for 50p each. Any donations of handmade or purchased cakes and biscuits for this will be gratefully received.

From School Parliament
