Dear Parents / Carers

All children in Reception, Year 1 and Year 2 are entitled to receive a hot school meal every day at **no cost** to the parent or guardian.

Our meal provider, A Country Kitchen, prepares and delivers healthy and tasty meals to our school each day. The menus are varied, balanced and appealing to children. The menus not only offer hot main meals, but also a choice of jacket potatoes and even a packed lunch option if you do not wish your child to have a hot meal. The children also get a drink of milk with their meal and a dessert.

If you would like to take advantage of the school meals that your child is entitled to, you can order online at www.acountrykitchen.co.uk. If you do not have a log in and password, please contact the school office. Orders can be placed for occasional days, a week at a time or for the whole term.

We look forward to seeing many more children enjoying their meals at school.

Yours sincerely
