Dear Parent/Carer

**Will you join us and help keep all children safe online?**

O2 and the NSPCC have joined forces on a mission to help all children and their families in the UK stay safe online. Together, they're offering useful tools; support and guidance to help parents and carers have conversations with their children about their online lives.

**Online safety workshops for parents**

As part of this, they're running free **online safety workshops for parents and carers** and will be hosting one at our school at 9:15am on Tuesday, 20<sup>th</sup> November and we would like to invite all of our parents and carers to join. The hour and a half long workshop will help parents and carers understand their child's online world and build confidence to have those important conversations that can help keep children safe online.

Don't miss out on this great opportunity. RSVP by returning the slip at the bottom of this letter. Until then, if you need any support or guidance, check out the [website pages](#) and [step-by step guides online](#), call the **O2 and NSPCC Online Safety Helpline** on **0808 800 5002**, or pop into your local O2 store for help from a Guru.

Yours sincerely

Mrs E Adie  
Head of School
