Dear Parents & Carers

Despite requests in previous newsletters, we have received further complaints from local residents with regard to inconsiderate parking on the roads immediately around the school site.

Whilst we appreciate that parking space is limited, we ask that parents do not block driveways and accessibility to residents' properties. There are a number of elderly people who live close to the school, one of whom has missed an important medical appointment due to inconsiderate parking by parents at our school.

We are mindful that the majority of parents and carers park further away and walk, or park showing due consideration to the needs of local residents and we thank you for supporting the school and the local community in this matter.

Yours faithfully
