Dear Parents and Carers

At Whaplode Church of England Primary School, we pride ourselves on the outstanding behaviour shown by our pupils and the high regard in which we are held by the local community and surrounding area.

Unfortunately, over the last few months, the behaviour of some of our parents on the school grounds has fallen far short of what we expect or are willing to tolerate. It is wholly unacceptable that the young children in our care are witness to verbal aggression and physical intimidation between adults.

It is our opinion that our pupils, your children, should begin and end the school day in a calm and positive manner, and we ask that every parent and carer supports us in this matter.

As a school, we are here to resolve issues between pupils. It is assumed that as adults you are able to resolve such matters between yourselves in a suitably mature manner. If this is not the case and this behaviour continues, we will have no alternative but to contact the school's legal team and order them to issue site bans to parents whose behaviour is causing us concern.

This is not a matter we are willing to discuss with any persons who feel they are in some way identified by any incidents leading up to this letter.

On behalf of the pupils of Whaplode Church of England Primary School, I thank you for your support in this matter.

Yours sincerely

Mrs E Adie
Head of School
