5th June 2018

Dear Parents & Carers

As part of our PSHE and Science curriculum, pupils need to be aware of the changes and developments which occur as their bodies prepare and go through the process of puberty.

In order to support the school with our delivery of this part of the curriculum, we have engaged the services of our former school nurse who will a workshops for Year 6 pupils on Tuesday 10th July 2018.

Any parents who do not wish for their child to participate in these workshops should complete the attached reply slip and return to school by Friday 15th June. As always, if you have any questions with regard to this matter, do not hesitate to contact myself or Mr Copeman to discuss the issue further.

Yours faithfully

Mrs Adie
Head of School
