Primary School**

Dear Parents/Carers,

During SATS week (May 14th - 18th) year 6 pupils are invited to attend "SATS breakfast" which will begin at 8.15am every morning. This is something that we do every year and we find that it really helps to get the children into school a little bit earlier and that they are prepared for a prompt 9am start each day.

This is an absolutely free service and we encourage as many children to come as possible. There will be a selection of cereals, juices and different breakfast meals on offer each day. On the Friday of SATS week Mrs Roberts has plans for an extra special breakfast with the intention that it mark the end of SATS week and acts as a celebration of all the children's hard work and commitment.

We hope to see as many children as possible,

Kind regards,

Mr Copeman
