

## **PE Funding**

In April 2013 the Government announced that it would be providing additional funding to improve the provision of PE and sport in primary schools. This funding will be available to schools in the academic years 2013-2014, 2014-2015 and has been extended to 2015-2016. This initiative has been devised to improve the quality and breadth of PE and sport provision, including increasing participation in PE and sport across primary schools. Ideally, this will in turn promote healthy lifestyle choices and give children the opportunities to reach the performance levels they are capable of.

At Whaplode Church Of England Primary School we will be allocating the funding in the following ways:

- Employing qualified coaches to work alongside teachers in lessons to increase their subject knowledge and confidence in sport, specifically PE and Swimming.
- Developing a PE Partnership with other local Primary Schools, to promote competition within peer groups, throughout the school.
- Enhancement of extra-curricular clubs with the emphasis on encouraging our less active children to participate.
- Development of Sports Leaders initiative to develop all year round lunchtime activities.
- Early establishment of sports teams in KS1, to ensure skills progression and production of a more effective and competitive squad.
- Establishing partnerships with local community sports clubs to enable children to experience a wider variety of activities.
- Recognising and supporting children who are Able, Gifted and Talented in PE and sports.

We are already working hard to develop these initiatives, building on our already established and successful sporting projects. A summary of how our funds will be spent is as follows:

Estimated Total Grant for 2016/2017 is £8,945.

**Whaplode Church of England Primary School - PE Funding Action Plan April 2016 – March 2017**

**Monitoring Governor – Mrs Tania Barton**

PE Funding	Actions	Success criteria	Impact
SLT	Agree action plan for PE funding. Develop priorities	<b>Action plan agreed and working</b>
