

## Spring Term 2018

### The life and stories of Jesus who turned the world upside down!

Wednesday 3<sup>rd</sup> January 2018 – Wednesday 28<sup>th</sup> March 2018

#### Living Well – Developing Christ-like Character

This theme relates to the CofE discussion paper on Character Education, *'The Fruits of the Spirit'* (October 2015):

[https://churchofengland.org/media/2386307/fruits\\_of\\_the\\_spirit.pdf](https://churchofengland.org/media/2386307/fruits_of_the_spirit.pdf)

*'If human beings are created "in the image of God" (Genesis 1:27), then the Church has an interest in the development of that potential in human beings – enabling us to learn and grow so that we can become more fully what we were created to be... In John 10:10, Jesus states that he "came to give life in all its fullness" and this vision also underpins the Church's approach to education. Within the concept of a full and flourishing life, the Church of England seeks to provide all young people the opportunity to have a "life-enhancing encounter with the Christian faith and the person of Jesus Christ." This means that "irrespective of their response, children and young people should see and experience love, welcome, hope, forgiveness and the possibility of new beginnings whenever they encounter the Church." ... The Christian narrative invites us to take seriously the possibility, even the reality, that God is alive and at work in the world, that the Holy Spirit works in and through us.'*

We hope these themes for collective worship will help children and adults in schools to reflect on this Christian narrative: what it is to live life well and to the full, inspired by the example of Jesus and his followers.

Themes are linked with the Christian calendar and are depicted by colours; each season has a colour and change with the pattern of Worship as shown below
