Dear Parents/Carers

It is with regret that after the Easter holidays, we will be reducing the number of places available for the after school gymnastics club. Due to the amount of PE equipment that the children are using and to ensure that the children have the best possible experience, it has been decided upon to reduce the number of places to 15 each lesson.

Due to the popularity of the club and to compensate for the reduction in places available, we will be separating the club into age groups. Reception, class 1 and 2 will be able to attend after Easter in term 5 and then class 3,4,5,6 will be able to attend after the May half term in term 6.

If we are able to source a second gym instructor in the not too distant future, then we may be able to offer an additional gym session each week.

Places will only be guaranteed with the payment.

Further information will follow in due course along with the other clubs available in terms 5 and 6.

Yours sincerely

Mrs A Flack
