24th April 2017

Dear Parents/Carers

Swimming Lessons

Following Storm Doris, the swimming pool roof has now been fully repaired but unfortunately the water is not yet up to temperature. Due to the water temperature, we are unable to use the swimming pool today, Tuesday and Wednesday of this week therefore all swimming lessons during and after school are cancelled. We are hopeful that swimming will resume on Thursday, but it will depend on the water being up to temperature which is being monitored closely.

We will arrange refunds for all after school swimming lessons booked this week along with any after school provision booked due to swimming lessons.

Our swimming pool committee have been working very hard to get the roof repaired which we thank them for.

We are sorry for any inconvenience caused.

Yours sincerely

Mrs A Flack
Head Teacher
