### CHAIRS REPORT

The swimming season was hopefully enjoyed by all, and I would like to thank the swimming teachers, Coach Kirsty and Mrs Rous for all their hard work. It was great to see the progress that the children were making with their swimming, and we were pleased to report that in 2016 all of the year 6's that left successfully passed their 25 metre distance swimming award with many of them managing to swim 50 metres too. The 100% pass rate is benchmarked against a national average of 50%. This is the second year that this has been achieved at school and we are very proud of this fact. It was also great to welcome back, Holbeach Bank, who benefit from using our school pool.

This year we have been managed to raise a good amount of money which will go towards replacing the second side of the pool building to match the side that has already been completed. The bunny hunt raised an impressive £891 and the weekly donations raised £901 which we are very grateful for. It is hoped that we will be able to replace the fence and corrugated plastic and replace it with a wall and windows before the swimming season starts next year. Once this has been completed we will be working hard to raise the money needed to replace the existing changing rooms with a better facility.

For the swimming pool to remain it requires not only money but the hard work of the committee. I would like to take this opportunity to thank everyone involved with us over this last year for all their help and hope that you will all continue to support us.
