Dear Parents/Carers

I am pleased to announce that governors have agreed that as of September 2017 I will be Executive Head Teacher of Whaplode Church of England Primary School and Weston St Marys Church of England Academy. I am very excited at the prospect of developing both schools to their optimum potential.

Further exciting news is that the school's accreditation as a Regional Training Centre for Apple continues and we are now known as the South Lincolnshire RTC.

I would like to thank the swimming pool committee, and in particular Mike Bannister, for all the hard work they have put in to ensuring our children only missed one week of swimming due to the storm damage caused in February. It's great to see your children already enjoying their swimming lessons and we look forward to what promises to be another successful swimming season.

Yours sincerely

Mrs A Flack  
Head Teacher
