16th November 2016

Dear Parents and Carers

As you may be aware, the school is trying to place more emphasis on pupil voice. To put it simply, this is all about pupils participating in the organisation of Whaplode Church of England Primary School. We are successfully achieving this through the School Parliament and its nominated members.

The School Parliament represent the voices of the children and meets on a regular basis to discuss matters that have been brought to their attention by their peers and to be involved in decisions that affect them and their education. One area of responsibility concerning the School Parliament is community and fundraising.

As Friday 18th November is approaching, we recognise that this is Children in Need day and although we accept that this is a very worthy cause we also appreciate that this time of year can be very expensive. The School Parliament has therefore chosen to instead support Save the Children – Christmas Jumper Day. The children are therefore invited to join the fun on Friday 16th December and wear silly festive knits while donating £1 to save children's lives.

We appreciate your understanding on this matter.

diver L Smith

Yours Sincerely,
