(45 mins)</p>

(Times stated are approximations of how long it will take to complete each lesson. If your child has finished their learning in less time you may want to direct them to one of the activities on the following page.)

Additional ongoing activities (Resources can be found in the useful links box on the Year 3 page of the website.)

Reading Challenges - Complete an activity from the grid for a book you have read.

Art Activities - Have a go at one of the suggested tasks. Send us a photo of any finished work.

Starters for STEM - Activities that parents can use at home to help children develop their science, technology, engineering and maths skills

Children can complete pages of their Maths, English and Grammar CGP workbooks provided by the school.

Starting on Monday 11 January, CBBC will broadcast three hours of primary school programmes from 9am every weekday. They will include BBC Bitesize Daily, as well as other much-loved shows with an educational twist, such as Our School, Celebrity Supply Teacher, Horrible Histories and more.

Additional online learning

Pupils have log ins for the following websites.

* TTRockstars

* Letter-join

* Mathletics

* Reading Eggs

If you are missing any log ins, let us know and we will send them to you.

BBC Bitesize and www.ICTgames.com has a range of resources/games to support learning at home.

<https://www.bbc.co.uk/bitesize/this-terms-topics>

Also have a look at [Oak Academy](https://www.oak-academy.com) and go into year 3 – there are lots of useful resources on there and you can go over topics we are covering in school. It is a brilliant site! <https://classroom.thenational.academy/>
