16th December 2021

Dear Parents and Carers,

Further to our email on 6th December regarding parking and driving issues around the school, we have made contact with the local Neighbourhood Policing Team. The PCSO will be visiting to assess the problems that have been reported. They will be obtaining details and via the car registration numbers, contacting the registered keepers. It is considered an obstruction if a vehicle is blocking a dropped kerb.

The school cannot be held responsible for the actions of parents/guardians especially related to parking issues.

In the meantime if anyone continues to see a parking/driving related issue, please be advised that you can report the incident to the NPT and give the registration number of the vehicle in question and what the problem, they can deal with it. Contact details of the local PCSO are below.

PCSO Jane Gardner is a member of the Holbeach Town and Rural policing team.
