*But as for you, be strong and do not give up, for your work will be rewarded ~ 2 Chronicles 15:7*

17<sup>th</sup> July 2020

Dear parents/carers,

With the end of the term just days away we wanted to provide parents with a further update regarding re-opening.

As you are aware, every school has to produce its own risk assessment plan informed by the current government guidance as well as taking into account the circumstances of the individual school. Every school will be able to re-open in a different way that school leaders have assessed is safe for their school.

Due to the current advice around pupils being kept in 'bubbles' which are to be kept separate, we have made the decision that we will not be able to provide our usual breakfast and afterschool clubs. We recognise that this may cause inconvenience for some of our families and would like to assure you that this is not a decision which we have taken lightly. The safety of all pupils is paramount in this decision.

This decision will be reviewed on a regular basis, informed by current government guidance. As soon as we assess that it is safe to do so, we will resume these provisions.

We hope that by informing all families of this decision as early as possible, it will provide sufficient time to organise alternative arrangements.

Yours faithfully

Mrs E Adie  
Head of School

*I can do all things through him who strengthens me ~ Philippians 4:13*
