But as for you, be strong and do not give up, for your work will be rewarded ~ 2 Chronicles 15:7

18th November 2020

Dear parents and carers,

The school has made the decision to purchase two online educational resources which will support your child's reading and maths learning both at home and at school. The resources are Reading Eggs and Mathletics.

Children have been given their log in details for both accounts which will have been stuck inside their homework diary.

It is our intention to use these resources to support home learning in the event of pupils self-isolating etc, as well as part of children's homework activities.

Please find attached to this email parent guides to support you with these websites.

Should you have any difficulties accessing your accounts, please contact the school.

Kind regards,

Emma Adie
