22nd June 2022

Dear parents and carers,

We are delighted to share with you the report from our Ofsted inspection on 17th & 18th May 2022. The purpose of the inspection was to determine whether the school continues to provide a good standard of education and whether safeguarding is effective.

We really appreciate the support given by parents, pupils, staff and governors during our Ofsted inspection. Thank you to everyone who completed the online survey, as your views are important to us. We can all be proud of the children who met with the inspector, talked about the school and confidently showed the inspector their work. The inspection report will help us to focus on our actions for further improvements. We are pleased that the inspector recognised the many strengths of our school, including our well planned and sequenced curriculum, our support for pupils with special educational needs and/or disabilities, and the high ambition which is held for all pupils in the school.

The inspection report will be published on the Ofsted website on 1st July.

Yours sincerely

Mrs A Flack and Mrs E Adie
