But as for you, be strong and do not give up, for your work will be rewarded ~ 2 Chronicles 15:7

25th January 2021

Dear parents and carers,

We will be resuming our popular "Pop-up Library" for pupils this week which will include a collection of books from every class for children to borrow and enjoy at home.

The library will be set up at the school gates from 10am until 10.30am every Friday morning, weather permitting. Children will be able to choose up to two books suitable for their age. The school will hold a register of pupils who have borrowed books.

If you wish to borrow books from our Pop-up Library, could we ask that any school books which you currently have at home are returned to school and given back to our "librarian", Mrs Rous. Children will only be allowed to borrow new books when previously borrowed ones have been returned. Any returned books will then be stored for a period of time before they are available to borrow again.

Any vulnerable or critical worker children who currently attend school on a Friday will be able to make their book choices during the school day should they wish.

Could we remind you that, in line with current social distancing measuring, parents are asked to queue up along the school fence, allowing a 2 metre space between yourself and others.

We look forward to seeing you on Friday!

Kind regards,
