16<sup>th</sup> December 2021

Dear parents and carers,

As you are aware, we recently sent out a parent questionnaire to determine if there was any demand for starting our Breakfast Club provision at an earlier time, in order to support families.

In light of this, from the start of the new term in January, we will trial an 8am start. This trial will run until we close for the Easter break. Should we see that the new start time is popular and sustainable going forwards, we will continue with it as a permanent start time. Costs for the 8am start will be £3 per session.

For those parents who do not wish to make use of the earlier start time, we will also maintain the 8.15am start, maintaining costs for this at £2.

When booking, parents should ensure that they book the appropriate start time.

From January, Breakfast Club staff will make two collections from the school gate: one at 8am and a second at 8.15am. They will only collect pupils who have been booked in for each session at the appropriate collection time.

Yours faithfully,

Mrs E Adie  
Head of School
