But as for you, be strong and do not give up, for your work will be rewarded ~ 2 Chronicles 15:7

12th March 2020

Dear Parents / Carers

With Coronavirus featuring so highly in everyone's thoughts at the moment, we wanted to update you with the current situation for our school.

The school receives daily email updates regarding the issue from the NHS and Department for Education. Not only does it provide us with new advice but supports us with additional contacts should we need further assistance. School leaders are in regular contact to determine next steps in light of the ever-changing situation.

Children across the school have been reminded of the importance of regular, careful handwashing and this has become part of our daily routines. School cleaners are performing additional cleaning to ensure that toilets, handles and "high traffic" areas are regularly deep cleaned.

We are aware through media outlets of the potential temporary closure of schools, at the instruction of the government, and have spent significant time planning for this possible scenario.

Information regarding such a situation will be communicated using our usual systems of email, our school website and our Twitter account. Please ensure that the email addresses held by the school are up to date.

As always, we appreciate your support and patience as we deal with this matter and would like to reassure you that we are following all guidance that is available to us.

Kind regards

A handwritten signature in black ink, appearing to read "E Adie".

Mrs E Adie
Head of School
