7th September 2020

Dear Parents and Carers,

As you are aware, due to the disruption faced by all families prior to starting school, we made the decision to provide your children with a staggered start to school by offering a part-time timetable of morning/ afternoon sessions lasting until October half term.

We are now in a position to offer parents the opportunity to take up their child's place on a full-time basis, from Monday 21st September. You are asked to complete the following survey (link below) to indicate your decision in this regard. Please note that we are not able to offer a mix of full and part-time days. If you decide to accept the offer of a full-time place, your child must attend school for the whole day, every day. Any parents not wishing to take up the offer of a full time place at this point should continue with the part-time timetable of sessions as sent out previously.

We realise that some parents may wish to take up the offer of a full-time place a little later this term, and ask that you contact the school to discuss this.

Can we please ask that all parents complete the survey by Wednesday 9th September.

Kind regards,

Mrs E Adie
