*But as for you, be strong and do not give up, for your work will be rewarded ~ 2 Chronicles 15:7*

3<sup>rd</sup> November 2020

Dear Parents and Carers,

Following on from the government announcement on Saturday evening regarding the forthcoming national lockdown, schools were advised that we would receive further guidance in relation to this on Monday 2<sup>nd</sup> November. At the time of writing to you, this guidance has still not been received and we wanted to update you as best we can in this regard.

Our academy trust has advised schools that we should encourage parents to wear face coverings at times when 1m social distancing cannot be maintained and we would therefore ask all parents and carers who are able to, to wear a face covering during morning drop off and afternoon collection times, from Thursday 5<sup>th</sup> November. This is to support the safety of yourself and our school community.

From Thursday 5<sup>th</sup> November, school staff will also wear face coverings at the start and end of the school day.

Once we have received the promised updated guidance from the DfE, we will inform parents of any necessary adaptations to the present school policies and procedures.

Yours faithfully

Mrs E Adie  
Head of School
