*But as for you, be strong and do not give up, for your work will be rewarded ~ 2 Chronicles 15:7*

12<sup>th</sup> February 2021

Dear parents and carers,

As you are aware, we close later today for our half term break, after a very busy and challenging term for us all, and just wanted to take a moment to send out our thanks to all our families.

We are incredibly grateful to you all for all your support and positivity during this period of school closure and lockdown. We are so proud of how well the children have been engaging with home learning under your support, and have been touched by the wonderful messages we have received from so many of you expressing your thanks.

We have heard of so many acts of kindness completed already by children and their families, and hope to hear of even more completed during the half term break. Please send in a picture as we are currently building up a display board within school of all the wonderful things you are doing as part of our 100 Challenge. We have received lovely messages from members of the local community who received some of the kindness postcards we posted out this week, and it is so wonderful to know that we are all able to make a difference to others.

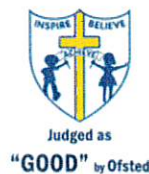

At this time, we have received no further information regarding the re-opening of schools in March, but are hopeful that we will be able to welcome everyone back in the coming weeks.

Have a wonderful half-term break!

Kind regards,

A handwritten signature in blue ink, appearing to read 'E Adie'.

Mrs E Adie  
Head of School
