But as for you, be strong and do not give up, for your work will be rewarded ~ 2 Chronicles 15:7

Dear Children,

At this moment in time it is hard to know that we can't be together as a school. Lots of you are staying safe at home while some of you are being cared for at school while your parents are busy doing their incredibly important jobs keeping us all safe and well, caring for those that are ill, making sure we have food to eat and lots of other things that we need to keep our country functioning.

Right now we don't know when we will next be together again so we thought it might be a nice idea to come up with an activity to bring us altogether.

The idea is that we will all learn a new song. A song that will bring us together no matter where we are. The song we have picked is called "We are the world". The version we would like you to learn can be found with this link:

When you think you know it pretty well, why don't you ask one of your grown ups to record you singing a little bit of it and send it through to the school office by email? You never know, maybe your grown-ups would like to join in as well! Then we can make a video of us all singing the song, all together again and we can share it on our website. We think it will cheer a lot of people up at a time when we all need a reason to smile. You always do a great job of making us smile with the things you do and say, so it will be nice to share it with others.

So, have fun learning the song. Remember that we all miss you and even though we can't be together at the moment, we will be one day.

Keep safe, keep washing your hands and don't ever forget how special you are.

With love,

Mrs Adie
