13th May 2020

Dear Parents & Carers,

You may have heard this week the government has proposed that children in Reception, Year 1 and Year 6 only *could possibly* return back to school on Monday 1st June. At the moment, this is not a certainty and although we are currently making plans for this to take place, we are waiting further guidance from the government and Department of Education, as well as from our multi-academy trust (LAAT). As a school, do not receive this information before anyone else.

Once we have received further information, and have a fuller picture of the expectations of schools moving forward, we will inform yourselves of our intentions.

Please be aware that any planned re-opening on 1st June does not include siblings or children in any other year groups, unless they are children of key workers or identified as vulnerable.

Our thoughts are with you all during this time.

Kind regards,

Mrs A Flack and Mrs E Adie
