Dear Parents & Carers

It has been brought to our attention that some parents have been parking on the yellow zigzags during drop off and pick up times. These zigzags are there to protect the children attending this school and we respectfully request that these are kept clear for the safety of the children and other pedestrians.

We are mindful that the majority of parents and carers park further away and walk, or park showing due consideration to the needs of local residents and we thank you for supporting the school and the local community in this matter.

Yours faithfully
