1st July 2021

Dear Parents/Carers

RE: Cancer Research Race for Life for Schools

This year we have decided to enter our school into the Cancer Research Race for Life for schools event.

On Monday 5th July, years 3,4,5 & 6 will take part in their races during the afternoon, running or walking laps of our track. On Tuesday 6th July, EYFS, years 1 & 2 will take part in their races. All classes will remain in their bubbles during the event.

Children should come to school in their PE kit on their race day with suitable footwear and a water bottle. In the event of wet weather we will postpone the event and rearrange for another day. All children taking part will receive a Race for Life medal.

The aim of the event is to raise as much money as possible for this very worthy cause, and as such the children are invited to collect sponsorship before the event using the sponsor form sent home. Please return any sponsor money, cash or cheques, with the form to school by Friday 9th July so we can send it off to Cancer Research UK. **Cheques must be made payable to Cancer Research UK.**

We hope the children will enjoy the event at the same time as raising money for this great cause.

Yours faithfully

Mrs Adie
Head of School
