But as for you, be strong and do not give up, for your work will be rewarded ~ 2 Chronicles 15:7

21st April 2020

Dear Parents & Carers

Welcome back to the start of the Summer term, albeit not quite the Summer term we had envisaged at the beginning of this academic year. We hope that this week finds all of our families healthy and well, and that you managed to enjoy your Easter break together.

As you are aware, the school continues to be closed to all children with the exception of those of key worker parents who still attend on a daily basis. At this time, we have no idea of possible re-opening dates but eagerly await the time when we can all meet together again, once it is safe for us all to do so. Until that time, home learning will continue to be set by class teachers on a daily basis.

We have been delighted by the initial response from the majority of our families to the home learning tasks which we have been providing. We do recognise that it isn't the easiest of jobs for parents to undertake but we have been delighted by how well everyone seems to be doing and sharing their learning on the class padlets. Some teachers are aware that some children have not yet responded, and we do encourage parents to ensure that all children are attempting at least some of the work on a regular basis. We will be contacting some families over the coming weeks to check that everything is going well and try to work through any problems around home learning with you.

As always, should you need any help or support at all, or just to touch base and say hello, please remember that the school office is open from Monday to Friday every week. We will always do all we can to assist you during what we know is a challenging time for us all. We have made telephone contact with a number of families since the school closed, and it is always lovely to hear how you are all getting on. We will continue to make such calls until we re-open.

As a staff team, we look forward to the time we can write to tell you that we are re-opening again and cannot wait to see the playground filled with our children and families once more. Until then, please take care, stay safe and know that you are all missed.

Kind regards

Mrs Flack & Mrs Adie

I can do all things through him who strengthens me ~ Philippians 4:13
