EYFS update

We are really impressed with how well our new Reception children have settled into school. They have already adapted to the school routine. The children have enjoyed learning some letter sounds, reading red words, identifying numbers and have been making mud pies in the mud kitchen.

Primary School Starters September 2019

Although the new school year is only a few weeks old, it is time for us to start thinking about those children who will be joining us next September. In order to support parents in making the decision about school choices, we will be holding a series of sessions during which time parents will be given a tour of the school and its facilities.

If you, or anyone you know, has a child who is due to begin school in September 2019, please inform them of the following dates:

Tuesday 5th November from 9.45-11.30am.

Thursday 7th November from 9.45 – 11.30am.

Thursday 14th November from 4.30 – 6.30pm.

Updating Changes

If your child has a change in medical circumstances, please notify the school office so that we can keep our records up to date and ensure that all staff are aware of each child's conditions.

It is also important that parents keep the school updated of changes in contact details, especially mobile phone numbers, so that we are able to make contact with you in an emergency.

Safeguarding

We believe that safeguarding is an important part of our work with children and young adults so will keep this reminder in all of our newsletters. Safeguarding is the responsibility of all of us. If you have concerns about the safety of any child, you should let somebody know. Both Mrs Flack and Mrs Adie are the designated safeguarding officers within the school.

Headlice

Please check your child's hair regularly for these unwelcome visitors. We have some very frustrated parents who are having to repeatedly treat their children because other families are not treating when their children become infected. We do notify parents/carers when headlice have been noticed, stressing the importance of checking all family members to ensure the problem is dealt with appropriately. We thank you for your support in this matter.

Transfer to Secondary School

Just to remind all Year 6 parents that the application for places at secondary schools in readiness for September 2019 start, should be made online by 31st October. Please go to www.lincolnshire.gov.uk/schooladmissions to complete your application.

School Parliament

After elections and ballots in each year group, a new school parliament for this school year has been formed. The school parliament members are as follows:
Year 1 – Weronika & Ibrahim Year 2 – Sophia & Harry
Year 3 – Rhiley & Hannah Year 4- Teddy & Gracie-Mae
Year 5- Keeley & Jakub Year 6- William & Arthur
Over the next few weeks, the school parliament will be deciding on the charities the school are going to support this school year through fundraising and will be organising events accordingly.

Special Needs Support

Mrs Halden, the school's SENDCo, is available on Monday, Tuesday and Wednesday mornings, should any parent wish to discuss any concerns they may have regarding their child's special education needs. Please make contact with the office to make an appointment.

Attendance

Good attendance at school is vital. We monitor all pupils' attendance on a regular basis, including late arrival to school.

We operate a 'first day call' when children are absent. If your child is absent from school, please telephone and let us know before 9.30am (close of register). If we have not heard from you by this time, the school office will contact you. We ask parents and carers to contact school every day a child is absent. If we are unable to speak to you, we will call every day of the child's absence, for up to five days. During this time, staff may visit your home to ascertain the well-being of your child. If, after five days, we have not been given a reason for the child's absence, the child will be reported as a 'child missing education'. These attendance procedures have been put in place to ensure the safety and well-being of all pupils.

Sometimes during a school day, your child may become unwell and it may be necessary to request that you collect your child. Please support us by collecting your child promptly, helping us to avoid spreading infection to others.
