

Inspire Believe Achieve

Our aim is to inspire and encourage our children to believe in their ability to succeed through learning. This vision will enable them to achieve and succeed in reaching their full potential and beyond, now and for their future.

October 2021

Head of School Update

The first weeks of the new school year have certainly flown by! Children in every class have settled well and are working hard in their new classes.

This year's Harvest Festival was a great success. Pupils from Year 6 walked to the church and did a great job of sharing the work completed by all classes. It was lovely to see so many Year 6 parents join us at the church to enjoy the service. Thank you all for your generous harvest gifts. These have now been collected by Holbeach Community Larder, who regularly support a number of our families as well as many more in the local area.

We have been delighted to see some of our pupils taking part in sporting activities with other local primary schools already this year. Pupils from Year 3 and Year 4 have enjoyed competing with their peers at the Elite Sports football tournaments and did a great job in representing the school. They upheld our school values of respect and perseverance and were superb ambassadors for our school. We are looking forward to taking part in further competitions throughout the year.

We have now made arrangements for our first parents evening of the academic year which will take place during the week of 15th November. We will be holding them virtually on this occasion and will be sending out a separate letter with further details to all parents before the half term break. Could we politely remind parents that parking and dropping pupils off on the zig zag lines at the front of school, is not allowed during school hours. This is for the safety of all and we ask for your support in this matter.

We are delighted to announce that we have finally been granted planning permission to build a brand new bespoke Reception classroom unit. This will allow our youngest pupils to benefit from a space better designed to meet their learning needs and will enable us to have a far bigger, and even more exciting, outside learning space for them enjoy. We are hopeful that we will be able to see this work start in the new year with pupils enjoying their new classroom during the summer term. Watch this space for updates!

Term Dates:

Monday 6th September to Thursday 21st October.
Monday 1st November to Friday 17th December.
Tuesday 4th January to Friday 11th February
Monday 21st February to Thursday 31st March
Monday 20th April to Friday 27th May
Monday 6th June to Friday 22nd July

Other Dates:

20 th Oct	Hedgehog Hunt
22 nd Oct	Staff training day
10 th Nov	Flu vaccinations
19 th Nov	Children in Need day

Flu Immunisation

Flu immunisation for EYFS through to Y6 will take place on 10th November. Parents should give consent at <https://www.lincolnshireimmunisations.co.uk/> using the school code EE144119. If you have not received the letter which was sent by email, please contact the school office.

Reception 2022

If you have a child who is due to start school in Sept 2022, please visit our website to see our virtual tour. We will be holding after-school "open afternoons" during November. Please see the school website for further details.

Calling Y6 Parents!

Although Y6 has only just started, it's time to start thinking about making your application for secondary school places, in readiness for next September. Please go online at www.lincolnshire.gov.uk/schooladmissions to make your application before noon on 31st October.

Hedgehog Hunt

We are very fortunate to be one of the few schools that has our very own swimming pool which is run completely by donations and fundraising events. We hope that as many children as possible are able to support the swimming pool committee by taking part in the sponsored hedgehog hunt on Wed 20th October.
