Head of School Update

Welcome back to you all after the summer break and a warm welcome to all those families who have joined us at the start of this new academic year. We are all looking forward to the good things we can achieve together over the coming months and years. We are also very excited to welcome into our school families three new teachers: Mrs Garner (Y2), Mrs Hogan (Y3) and Mr Fulstow (Y5). All three have been busy in school, along with existing staff, throughout the summer ensuring the school is a bright and welcoming place. Walking around the school, it is clear that the children are already busy learning lots of new and exciting things

A huge 'Well done' to all children who created such wonderful school projects over the summer. We will plan further projects throughout the year and we are always amazed by the creative efforts of our learners. Thank you to you parents who support the children and their creative endeavours.

Our core value for this term is respect and the values newsletter should be with you shortly.

And we couldn't start the new school term without wishing congratulations to our newly-wed, Mrs Porter! We wish her and her new husband a lifetime of happiness and good health.

A Few Reminders...

Please remember that unless children are attending breakfast club, they shouldn't arrive on the playground until 8.40am when a member of staff will be present to supervise them. Children, including pre-school children, should not be making use of any of the play equipment at the start or end of the school day. Could we ask parents with young children to ensure they are supervised whilst on the school site. And finally, although only a few days into term, we have already had a reported incident of headlice. Please check your child's hair regularly and treat as necessary. Many thanks!
