

Whaplode Church of England Primary School **SWIMMING POOL COMMITTEE**

SWIMMING POOL NEWSLETTER OCTOBER 2019

Term 1 Swimming

Our Key Stage 2 children have continued their swimming lessons during term 1, making the most of our great facility. Years 3, 4, 5 & 6 have been in the pool once a week and are continuing to make great progress and develop their water confidence and skills. The children have been working on their front crawl, back stroke and breast stroke, along with talking about staying safe in and around water. Thank you very much to those who sent in payments towards the weekly swimming lessons. It really does help towards the costs of running the swimming pool in heating, water, chemical charges and general upkeep. **We are only able to keep the pool running with the donations and contributions we receive.**

Christmas Fair

We will be holding our Christmas Fair on Friday 13th December from 3.30pm until 5pm in the school hall. There will be refreshments, raffle, tombola, sweet stall, games, prizes to win and hopefully Santa will pay us a visit. Any donations of raffle prizes will be gratefully received. **Further details will follow nearer the time.**

Crisp Packets

We continue to collect crisp packets for recycling. Thank you for saving them and bringing them into school. So far we have sent off 10 huge sacks of crisp packets to be recycled.

Whaplode Swimming Pool Committee

We are a small committee that meet a few times a year and always welcome new members. If you feel you would like to get involved with helping to raise funds for our pool or want to help at any of our events, please get in touch.

The pool will now be closing over the winter, however, we will continue to hold fundraising events over the coming months to ensure we have this amazing facility for our children in the 2020 season.

The Swimming Pool Committee would like to thank everyone for their continued support over the last year. We wouldn't be able to keep the pool running for our children without your generosity.
