Schools serving their communities through excellence, exploration and encouragement within the love of God

*I can do all things through him who strengthens me ~ Philippians 4:13*

## Rationale

Our after school club is organised by Whaplode CofE Primary School. It is an extended school activity designed to allow children to be in school after the academic day from 15:20 – 17:00. There will be the opportunity to have a choice of snack and a drink and to join in activities on offer. Children are also encouraged to be independent at these times and to make decisions for themselves through the choice of food and drink and to participate in informal activities with each other developing social and interactive skills.

## Objectives

- To provide a welcoming, safe, secure environment for pupils after the school day has finished.
- To employ caring supervisory staff
- To provide a calm play environment for those pupils.
- To provide an affordable service for parents/carers.

## Organisation

The after school club is open to pupils attending Whaplode CofE Primary School. Due to the number of staff available, if demand exceeds the number of places available, a waiting list will be maintained. The club will be open from 3:20 pm until 5:00 pm. Our after school club is held in one of the school classrooms. The child's details, medical conditions, the parent's contact details, an additional emergency contact name, address and telephone number are kept in the School Office. It is the responsibility of the parents/carers to ensure that the office is informed of contact changes.

## Use of Registers

Children are registered as they enter the after school club. The after school club supervisor retains the registers, which are kept in the school office. At the end of after school club the supervisor tallies the numbers attending. In case of an emergency where children have to be evacuated from the building, the register must be taken and the children checked against the register to ensure they are present.

## Staffing and Supervision

The children are adequately supervised at all times. A minimum of one member of staff will be on duty in the classroom, with an additional member of staff being available in school should the need arise. All members of staff are DBS checked. At least one member of staff on duty holds a current first aid certificate. At least one member of staff on duty has completed the food hygiene course.

## Food and Activities

Children will be offered a range of food for a healthy snack. Healthy food such as fruit will always be available.

A number of activities will be on offer for the children to participate in. These may include craft activities; games and toys. All resources necessary for the club will be purchased through the school budget designated for such purchases.

### Behaviour Policy

Our Behaviour Policy will be in line with the School's Behaviour Policy. Children are expected to show a good standard of courtesy and behaviour at all times. If there are concerns with behaviour then parents/carers will be contacted. Ultimately exclusion from the after school club will be the final sanction from such provision when all possible strategies have failed.

### Pricing Policy

From 20<sup>th</sup> April 2020, a new pricing structure will be implemented to allow for online booking. There will be two structures available:

3.20pm to 4.20pm at £4.00  
 4.20pm to 5.00pm at £3.00 (total cost of £7.00)

All after school provision bookings will be through ParentMail and should be made in advance. Bookings can be made (as long as there are still spaces available) up until midnight on the day before. This fee is to cover the cost of:

- Staffing
- Food
- Equipment and day-to-day running costs.

It may be necessary to change fees from time to time, however Parents/Carers will always be given at least one term's notice of this. Refunds are not given in the case of absence.

***If a parent/carer is late collecting their child from the after school club, then a retrospective charge will be raised for the additional childcare time that equates to the costs (£12) incurred by the school to pay the member of staff the additional overtime.***
