CHAIRS REPORT October 2022

I find it hard to believe we are a year on from when I last sent out this report, time goes by so quickly.

The swimming pool committee have been busy fundraising and as many of you know we were lucky enough to win first place in the Tesco Community Grant. This money will go towards the new roof we are hoping to get in summer 2023. We had a new floor laid around the pool over the summer holidays and we are hoping to re plaster the walls and paint the floor once the weather warms up. We could not achieve any of the refurbishments without the continued support of all the parents and carers and as always we cannot thank you enough.

After what seemed like a lifetime we held our Summer Fair on one of the hottest days of the year, but that did not stop you coming and having fun with us all. Thank you for supporting us and raising an amazing amount of money, a record amount for any of the fairs I have been involved in.

We are busy thinking of fun activities for 2023 and of looking forward to our Christmas Fair – date to be arranged.

I would like to thank the swimming teacher, Mrs Rous and the rescuers for all their hard work, without them our children would not be able enjoy our pool.

For the swimming pool to remain it requires not only money but the hard work of the committee. I would like to take this opportunity to thank everyone involved with us over the last year and for all their help, I hope that you will all continue to support us.
