Dear Parents / Carers

At Whaplode, we pride ourselves on the enrichment opportunities we provide for our pupils. As part of this work, we have our '30 Things Challenge' which sets down a list of thirty experiences we would like all pupils to enjoy during their time with us.

The list has been generated by working with our children, combined with the five selected by the academy trust, which will be common to all children attending a LAAT school. We have now turned these ideas into our very own "My 30 Things Passport", a copy of which you will find attached to this letter. We feel sure that you will agree that in order to meet their thirty challenges the children will be kept busy over their seven years with us!

For those children further up the school, we recognise that it may not be possible to meet all thirty before they leave us but we will endeavour to meet as many as possible in the time we have available. School staff are now busy planning to start the process of achieving the items on the list and we will hold a passport in school for every child so we can keep a record of their achievements so far.

Kind regards
