I can do all things through him who strengthens me ~ Philippians 4:13

8th March 2024

Dear Parents/Carers,

We want to ensure that our school site is safe for our families and this includes drop off and collection times. We have written to you previously to ask for your support in keeping the entrances to school safe by ensuring that the safety zone remains clear. Thank you to the vast majority of parents/carers who park safely.

Throughout the day, however, some parents and carers are still parking or dropping off in the zig-zag area. To ensure the safety of all children and adults, we politely ask again that parents and carers refrain from doing this. The school safety zone should be kept clear when the school is 'operational', which includes parents bringing children to breakfast club, dropping off or collecting throughout the day and when collecting from any after-school clubs.

When cars are parked on the zig zag lines, it can block the view for pedestrians and the approaching traffic as well as obstructing the school entrances. We understand when things are busy it might seem more convenient to park/wait on the zig zags as it may only be for a few minutes but the zone is in place to protect everyone. We appreciate your support in keeping our pupils safe.

Kind regards,

Mrs E Adie
Head of School
