Dear Parents/Carers,

This is a gentle reminder to parents and carers that it is the responsibility of yourselves to supervise pre-school and school children whilst on the school grounds. Recently, there have been a number of incidents where children are running around the parked cars in the staff car park and looking through the classroom windows and doors, which is distracting and impacting on the learning of the pupils within the school.

We would also like to remind you that children should not be accessing any of the play equipment without supervision by school staff.

Please be aware that vehicles often need to vacate the staff car park before the end of the working day and the safety of all children is paramount.

We thank you for your support in this matter.

Yours sincerely

Mrs E Adie  
Head of School
