'I can do all things through Him who strengthens me.' *Philippians 4:13*

At Whaplode Church of England Primary School, giving our pupils the opportunity to try new things and develop new skills is hugely beneficial. It can help them to grow in confidence, expand their

understanding of the world around them, or introduce a hobby or passion that could last for years to come.

This passport has 30 activities to work through during their time at Whaplode. This is our offer to all children and they will be able to tick off the activity when completed.

When children have experienced all 30 things, parents will be invited to an award ceremony where their achievement will be celebrated.

Let's get started!
